Happy first CNSA meeting of the Fall 2023 semester! Congrats to my soon to be RN, BSN fifth semester friends! I just wanted to give a quick recap for all the CNSA members regarding the current first semester's bootcamp and first steps into the program: <ul style="list-style-type: none"> ○ The Fall 2025 cohort's bootcamp was a success! Thank you to my reliable, diligent CNSA BOD for helping me plan and execute and a massive thank you as well to my lovely volunteers for helping with

set up / tear down + clean up / and breaking the ice with the current 1st semesters, whether through taking pictures, telling them what to look forward to in the program, etc.

- For my fifth semester volunteers, please let me know if there are still any missing forms/hours I have to fill out and I can get that done ASAP for your community service hours!
- I also sent out a bootcamp post-evaluation after in order to see which specific areas we can improve on! It was mostly general stuff, such as organization, proper delegation of tasks, and timing of activities/tours planned which I will all account for when planning the Spring Cohort of '26 bootcamp!
- I am also coordinating with Chiz, the BTN in planning the first semester class rep elections, so for my first semesters attending this meeting, please keep a close eye on your emails and I will let Chiz explain the matter more on her part!
- Overall, that is pretty much it from me regarding bootcamp! Thank you all for your time!

Secretary –

- Sign In for meeting: <https://forms.gle/ym2GFxcQ9ZS7nfmC8>
- Hi everyone! Most of you already know this, but for any of my first semesters, again you can find the cord point spreadsheet on the CNSA canvas page or website. The guidelines for how many points you can earn are there as well, and we will advertise cord points for events too. After volunteering or attending a meeting, give me a couple of weeks to update it, but if it's been a while and you notice that I haven't given you any points, you can just email me.
- There are already a few events we have planned, and you can find that in the CNSA canvas calendar. I will send out an announcement after this meeting with a recap of cord point opportunities coming up soon.
- Also, if you happen to donate blood during the semester, send me proof, and you will earn one cord point for this. I'm not sure when the blood bank is coming to campus, but whenever they do, again just send me proof of your donation. 1 donation = 1 cordpoint (2 donations max).
- For 5th sems, please email me proof when you complete your volunteer hours, and then you will be eligible to earn cord points again.
- Lastly, we will also be doing a cord points competition and rewarding the student who earns the most cord points this semester! The winner will earn 2 tickets to our Winter formal, so I highly encourage everyone to be as involved as they can this semester for the chance to win these tickets!

Treasurer –

- Hi everyone! I hope everyone is having a good semester so far. I have a few updates for you all.
 - To start off, our bank account is currently at \$11,839.82
 - During bootcamp we were able to raise \$1,472.28. I want to give a special shout out to our wonderful staff for their generous donations towards boot camp. It would have not been as successful as it was without their support!
 - Last week we also had club fair, and we were able to make \$873.

- Because our apparel was such a hit S/O to Jasmine!! We held another sales event the day after and we were able to make another \$395.
- That is all the updates I have.
- I do want to say another thank you to everyone who have supported CNSA!

Breakthrough to Nursing –

Hi everyone my name is Chizobam but you can just call me Chiz, as you know I'm the BTN r and I just have a few updates...

For 1st semester students, don't forget that your class reps election is on September 11th @11:45am. This will be in Tara's class after your med math. If you're thinking about running please sign up! This is a great way to be more involved and have a leadership role. If you do decide to run, don't forget to read the responsibilities that come with class rep. It should be attached to the email that was sent out! The deadline is September 9th so it's not too late.

- For 1st, 2nd, and 3rd semesters.. if you're thinking about coming to your zoom debrief please do!!! This is a great opportunity to ask all your questions and get advice about the semester, advice on how to study, time management.. you know all the good stuff! Just don't forget to fill out the form that was sent out.
 - First semester debrief is September 8th at 5pm
 - Second semester debrief is September 11th at 6pm
 - Third semester debrief is September 8th at 5pm
- For third semester students, if anyone is interested, I still need 2 volunteers for 2nd semester's debrief which is on September 11th at 6pm via zoom
- (And then) We will be having high school outreach events so keep a look out for any announcements.
 - I would love to do one in Sanger because I got into contact with one of the schools there and Ciara was telling me about a great MAYBE opportunity at Central! I may also send out a survey to see what schools most people have in mind so just keep an eye out.

Fundraising Director –

- Hi everyone! First off, I wanna say thank you to all the first semester students for participating in our Bootcamp Raffle! All 5 winners have received their prizes for that, and I hope that you all enjoy the fun goodies in your baskets. I also want to give a huge shoutout to all of the businesses that donated items for our bootcamp. We truly could not have put together such a great ensemble of prizes without their generosity.
- Looking towards the future, our first fundraising event of the year will be a BJ's Restaurant & Brewhouse profit share on Tuesday, September 19 at their location in Fashion Fair Mall (715 E. Shaw Ave. Fresno, CA 93710). You can dine in, order online, or place a take-out order anytime between 11 AM to 11 PM that day, and 20% of all food and beverage sales will be donated to CNSA. I'll have a flyer sent out to y'all on Canvas and hopefully posted on the Instagram that you can show to BJ's so that they know to allocate the funds from your purchase to us. If you are ordering online, there's a code on the flyer that you'll put in when you're checking out. This

is a great way to support CNSA while making sure to nourish yourselves after all the hard work you've been up to this semester! Grab your clinical group or your study partners for a well-deserved, delicious break.

- I have a feedback form for all members to fill out: <https://forms.gle/6MS2SAKzozipwzuNA>. It has a few questions and should take no longer than 3 minutes, so please fill it out as soon as you can! I want to hear your input on what fundraising events you want to see, so this is your chance to let me know what you are all interested in. If you have any ideas for fundraising throughout the school year, feel free to send me an email at fsnsafundraisingdirector@gmail.com.
